Consensus Based Decision Making (CBDM) Workshop

What is consensus-based decision making? In Narcotics Anonymous, we make decisions by seeking direction from a loving Higher Power as it expresses itself in our group conscience. The principle of anonymity in NA means we serve as equals, and consensus-based decision making (CBDM) is one method for a service body, as a team of equals, to hear that group conscience. The heart of consensus is a cooperative intent, where members are willing to work together to find or create the solution that meets the needs of the group. The cooperative nature of consensus building is a different mindset from pro/con debate.
